St. Augustine Humane Society (SAHS) is a local nonprofit, 501(c) (3) organization and we rely on contributions from the local community.. We are independent of any other humane society or animal welfare organization and receive no funding from national humane organizations, local, state or federal government or United Way. SAHS strives to reduce the relinquishment rate of pets to shelters through assistance services such as low-cost spay and neuter, pet food assistance, humane education and outreach programs, and dog training services. Please remember St. Augustine Humane Society in your will or estate plans.
