

# ST. AUGUSTINE HUMANE SOCIETY TRIBUTE SIGN - TILE ORDER FORM

You can now permanently recognize your furry family or loved one through a personalized tile on our new clinic sign! This is a great way to show your support for the St. Augustine Humane Society to the hundreds of community members who visit our office every year! For more information about our mission and programs, please visit our website at [www.staughumane.org](http://www.staughumane.org).

Please print your inscription in the boxes below; one character per box. Your inscription can be no more than 10 characters per line, including spaces and punctuation. Paw print sizes will determine the line spacing and letter size. Large paw prints will only allow for one line of text. We used varied sizes of lettering so fewer characters allow for a larger inscription.
